# How we work with you

## 1 - Design

Our experts can advise you on which of our Internet Connectivity services is best suited to your business needs.

## 2 - Build

Working with Claranet removes the burden of managing and carrying out the installation of your Internet Connectivity services yourself, saving you time.

## 3 - Manage

We take care of the ongoing 24x7 management and monitoring of your service. However, you retain the control you need with access to around the clock UK support.

## 4 - Evolve

We work with you to ensure your service is continually optimised to meet your needs.
